Save the Children's

RESOURCE CENTRE

TREE OF KNOWLEDGE!

Hi! 👋

Are you looking for reports, manuals or other materials on children's rights?

No, why would I?

Because **knowledge** is the key to success!

You're right, where do I look?

Yes, tell me more!

Have you heard about the **Resource Centre?**

Nope! What is that?

It is the premier, **global** source of knowledge on child rights, with **thousands** of quality assured materials in **one location!**

Wow, that sounds great! Do you host material from other organizations than Save the Children?

Yep, I use it all the time!

Thank you for letting me know! One more question, is it open for everyone?

Yes, we're **100% open and free** to all visitors!

Absolutely! We collect and host material from the **entire child rights sector!**

That's great! Do you follow us on Twitter? 😍

That's great! So, do you have any cool features I can use?

Not yet..

For example, you can...

..save resources to **MyLibrary**

..subscribe to keywords, publishers or countries and regions

You can find us at @SC_ResourceCtr!

..and **submit** your reports!

Say no more, I want to start using it NOW!

Thank you! And oh, can you remind me of the link to the webpage?

No problem, just visit https://resourcecentre.savethechildren.net and create an account today!

Psst..! We're on Twitter and Workplace, join us! @SC_ResourceCtr Resource Centre
